

KORPIKARTANO WINTER ACTIVITIES

2012-2013 VISITOR

SÁMI REINDEER FARM VISIT & REINDEER DRIVE

In the reindeer farm you will meet the host dressed in colourful Sámi clothing in a home farm. The programme in the farm includes reindeer feeding, a short reindeer drive snow permitting and stories about reindeer herders' history and modern times. You will also learn the traditional reindeer herder's skill, Lappish lasso throwing. You will have a cosy coffee break with stories about Sámi culture in a Lappish hut by open fire. Duration 2-2,5 hrs.

PRICE: 93 € / person when min. 2 persons

Price includes: transfers, English guidance, visit programme, 400 m reindeer drive (Dec-April), coffee

TASTE OF REINDEER HERDER'S DAY

You can "taste" reindeer herder's world by joining in feeding his reindeer in the wilderness. Transfer to the home farm from there you will go with a snowmobile to the reindeer. The reindeer herder will be driving the snowmobile and you can just enjoy watching the sceneries in a sledge. The feeding place in winter time gives a perfect chance for observing these peaceful animals. While watching reindeer a cosy coffee break around open fire. This is a tranquil time for reindeer and herders together. Duration 3-3,5 hours

PRICE: 160 € / person when 2 persons

Price includes: transfers, warm clothing, sledge transfer to reindeer, programme with reindeer herder (speaks English), coffee

SIIDA - SAMI MUSEUM & NORTHERN LAPLAND NATURE CENTRE

The exhibitions show how nature and people have adapted to the extreme conditions of the Northern environment. Wonderful photographs, videos, dioramas, soundscapes and original artcrafts guide you between the seasons and back through the times past. Possibility for coffee and meals after the museum tour. DVD-show on Northern Lights or Lake Inarijärvi. Mondays closed.
